

HOLLY LAKE VOLUNTEER FIRE DEPARTMENT

January 6, 2015

Happy New Year!!!!

Members: 18

- 1) Don Wolford made **a graph to show the # of calls per year** (past and present). Will present it at Hook and Ladder.
- 2) **Pipeline training:** January 7, 2015 in Sulphur Springs. Those of you attending need to be at the station at 9:30 a.m.
- 3) **Run Reports:** When you fill out the Run Report on scene, be sure to put what WE (HLVFD) did in the comment section (i.e. vitals, oxygen, etc...) not what EMS or Security did and be sure you put what the nature of the call was.
- 4) **Public assist:** Watered the Golf Course because the lake was drained too far down and the sprinklers would not work. Thanks to those that helped, it was good PR and very much appreciated.
- 5) The call prior to this meeting: **A propane call:** no radios, do not turn on (or off) any lights, open ALL doors. Propane is heavier than air so it lies in low areas (close to the ground). After the propane was turned off, it began to dissipate so the residence could be vented.
- 6) Travis: **Bank statement reconciled...**Everyone turned in receipts...woohoo!!!
- 7) Corey: When **checking tires**, remember to check the inner tires.
- 8) **844:** Thought there was a problem with the pump. But, it wasn't the pump...the re-circulation handle was moved. It has been fixed and is working fine.
- 9) **Golf Tournament:** April 28th, Al will have committees and budget at the next meeting.
- 10) All **fire extinguishers** are back in place.
