

HOLLY LAKE VOLUNTEER FIRE DEPARTMENT
Regular Training Meeting Minutes
January 20, 2015

Members: 16

Guests: 1 John (EMS)

- 1) **John (EMS):** Pedi Pads are going out of date before they can be used, so Doc said to use the Adult pads (but use the Pedi setting) for Pedi calls. Place pads in the middle of the chest and back.
- 2) **Paul:** Need to order new hoses. Replaced hoses on Engine 845 because they were wet and need to dry. He went to the Ford Dealership to look @electric cars, the Ford Volt is what he looked at, it has a diagram under the hood showing where to cut the battery, which is in the trunk, AND you need to know that there is de-energizing handle behind the back seat, you have to pull the seat down to get to it. Just cutting the battery cable does NOT kill the car. This is just an example as different electric cars have different de-energizing spots.
ALWAYS BE AWARE OF THIS...
- 3) **Greg: Golf Tournament** Budget is the same as last year (\$6,000). Motion made and seconded. The committees have been appointed, Greg has the list. The raffle will be all cash prizes this year.
- 4) **Parking lot:** Needs to be re-surfaced (black asphalt only). 3 estimates were obtained; they are as follows: \$9200, \$7700 and \$6536 (motion made and seconded for this bid); it will include repair of ALL cracks, ALL low areas, re-sealed twice and striping.
- 5) **Recycling bin:** Repair –vs- Replace: Repair- \$300, Replace w/recycling dumpster, forest green, holds approximately 120 kitchen size trash bags...\$1275. It will be replaced.
- 6) **Bingo stage:** Leon Ward has built the new stage and is installing it.
- 7) **Don W.:** The **siren @ Brookhaven** is not working. If we have to alert then to an emergency we will have to do it the old fashioned way.
- 8) **Joe: New brush gear** is in and will be given out after training. **Storm Watch Class:** February 10th (No one will attend from here). **Awards Dinner: February 10th**, wear your Class A's (Everyone attend).
- 9) Critiques of both structure fires were given by Chief.

Tonight's Training:
Re-Stack hoses on Engine 845

Upcoming Events:

- January 31: Last Saturday Training (??) TBA
