

HOLLY LAKE VOLUNTEER FIRE DEPARTMENT
Regular Training Meeting Minutes
April 7, 2015

Members: 18

Guests: 0

- 1) **Speeding:** Complaints from Security about 842, adjust your speed to the severity of the call and use the siren sparingly.
- 2) **Negative comments:** Please be careful about the negative comments, there have been reports of these comments. If you need to talk to Chief, his door is ALWAYS open. Let him know if you are upset about something or you are concerned about something.
- 3) **847's Bay door is fixed:** It has an eye on the bottom of the door, keep the rope and all other obstacles out of the plain of the eye as the door will stop automatically.
- 4) **Golf Tournament:** April 28
 - A) Raffle tickets: To date, 416 have been sold. We will set up to sell tickets at Brookshire's on Friday, April 10, from 4:00pm to 7:00pm and on Saturday, April 11, from 9:00am to 4:00pm. Come and help if you can.
 - B) Sign requests are due in NO LATER THAN APRIL 10.
 - C) Mrs. Jeanette Sterner is the cookie lady this year; she will be looking for volunteers to work some of the holes and for cookie donations.
 - D) Door prizes are mostly gift certificates.
 - E) \$8820 has been brought in for sponsorship so far.
 - F) We only have 3 weeks to get the sponsorships collected and in.
- 5) **Don W.:** The Brookhaven siren is working now.
Please be careful with radio's...due to a strike, all shipments of batteries and antennas are on hold for 90 days.
- 6) **Cheryl: CPR Recertification** is due now; we will have a recertification class at the station on Sunday, April 26, from 2:00pm to 6pm. Be there if you can and if you can't, please get with Cheryl to be re-certified.
- 7) **Bill:**
 - A) **Tanker 841:** MAJOR repairs had to be done. All the dump valves had to be replaced the bill is \$3287.38. Motion made, seconded and passed unanimously to pay it.
 - B) **Fuel cards:** If you don't have a pin# or can't remember yours, get with Bill and he will get you set up.
 - C) **Par Tags:** If you don't have PAR tags or are missing one, get with Bill so he can get them done.
 - D) **Old Generator:** We are getting rid of it. There has been an offer made for it. But, it is being offered to us first. If you are interested, get a form from Bill and just know that it is being sold AS IS.
- 8) **Training: Truck Captains** — make a training list for your trucks and if anyone else has a wish list, put it in writing and get it to Greg or Charlie. We train on what we do for our little part of the world, not what they do in the city.
- 9) Only **Dry Hydrant** that works on the East side is the one at the spill way. Both hydrants at Holly Lake are in good working order.

Note from Chief: EVERYONE is doing a great job, Thanks for all you do!!!!

**Tonight's Training:
Flush Dry Hydrants**

(Submit ideas to Greg/Charlie for training)
