Dear Mr. Bailey:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is unclassified.

Insurance Services Office is recommending the classification be changed to Class 5/10, with an effective date of 03/01/2009. The recommendation is based on a review of your community performed on 03/26/2008 and does include application of the Texas Addendum.

With a split Class 5/10, all class rated property within 5 miles of a fire station, will use **Class 5**, whereas, all class rated property located farther than 5 miles of a fire station will use **Class 10**.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. We will notify Insurance Services Office of our approval of the recommendation and of the 03/01/2009 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.
